

"REACHING FOR NEW HORIZONS"

By S.S. Belcher

Exercise for the Week: Waist Tightener/Torso Twist
Stand straight, feet apart, arms stretched out just below shoulder level. Pull abdomen in, hips facing front. Twist upper body to the right. Return to center. Twist upper body to left without turning hips. Return. Do 16 times from side to side.

Thought for the Week:
Here has been dawning another blue day. Think, will thou let it slip uselessly away? - Thomas Carlyle

Bible Scripture for the Week:
All have sinned and come short of the glory of God. - Romans 3:23

Subject for the Week: changes in our lives
Most of my life I felt like a second-class citizen because of the color of my skin, but no more; I am very proud of being Black. I have been taught to expect change as a matter of course in every aspect of my life.

Confidence in yourself, positiveness, self-respect and hope in your life gives the greatest inspiration of all times. I've found that we're one person when we're seventeen and by the time we're 25 we've developed into a completely different person with different aims, interests, attitudes, and of course different friends. Then ten years later we find we've changed again, and so on, until finally we're old and set in our ways.

This means we all like having our own way and this causes selfishness and jealousy. We can't always have things our way if we don't share and change in ourselves. Remember the saying, "Together we stand and divided we fall." Well we're always going to be the fallen and on the bottom unless we make some changes in our lives.

We don't have to be selfish nor jealous of one another. I was once told that as long as you could read and write, you could do anything or be anybody that you wanted. Also, you've got to have a determination and willingness to do, eagerness to learn, courage to accept new challenges and dedication to give the best that you have.

Be a part of what's going on and help guide others in the right

direction. Stop hating your fellowman for what he or she has done or is doing, and let's be proud together! Stop waiting for the good things to come to you, because they won't come to you if you don't go after them.

What if Martin Luther King had waited? He didn't - he went for it. Look at Jesse Jackson - he's going for it. We can do it too. Let's change our outlook of life and GO FOR IT! My favorite saying is, and I quote "Success lies not in being the best, but in DOING your best." If you can mend one broken heart you are a success.

I was reading a back issue of the *Clipper* and came across an article that really captivated my thoughts. It was written by Mr. Foyle Guy, and I'm sure he won't mind our sharing with those of you who may have missed it. A Chinese proverb says, "If there is righteousness in the character, there will be beauty in the family. If there is beauty in the character, there will be harmony in the family. If there is harmony in the family, there will be order in the nation. If there is order in the nation, there will be peace in the world."

Peace begins with right living. If we don't forgive our brother his trespasses, God won't forgive us ours. How can we ask for forgiveness if we don't forgive. Love thy neighbor as thyself. Forgiveness is better than revenge. That thought stayed in my mind for a long time and I will live with it each passing day. Think about it and let's see if we can make this a better place.

If you have announcements for your church, club or organization that you would like to share with the community, please call 897-3541 after 5 p.m. Monday through Friday.

Pictured are winners from the Coffee County Beef Cookoff contest held in March. L-R: Timmy Davis, Zion Chapel - first place; Peggy McEachern, Enterprise - second place; Gina Hilton, New Brockton - third. Timmy will represent the county at the state contest in Montgomery. Timmy, a junior, at Zion Chapel High School, prepared Zesty Meatballs for his entry. Peggy's dish was Chili Cheese Steak and Gina's was Macho Meatloaf.

Card Of Thanks

We would like to express our thanks to all who brought food, flowers, cards, and all expressions of love during the illness and death of our loved one. We especially thank the staff at Elba Nursing Home and Hospital for their care and devotion.

FUSIFORM RUST

Fusiform rust is beginning to pop out on pine trees. This is the bright orange, powdery growth that appears on the trunk and limbs. This rust is very damaging to young pines. If the trunk becomes infected, it will weaken or even kill the pine. After the tree trunk grows to 6 to 10 inches in diameter, fusiform rust doesn't attack the trunk. It may get on the limbs, but this is not a real problem to the pine.

If the trunk on a young pine tree shows a lot of area covered with the fusiform rust, I would go ahead and cut this tree out now. The tree may live, but at some point later on a high wind may break the tree off causing it to damage your house or car.

The spores from one pine will not infect another pine. Oak trees have to be an intermediate host. There is no chemical control for fusiform rust.

LAWN CARE SAFETY
Spring is here and it will soon be time to pull out your lawn mower for another season of grass cutting. The following is a mowing safety checklist. Reviewing this yourself and with members of your family will help insure that you will help insure your safety against accidents this spring and summer.

Before Mowing
***Put on close-fitting clothes and sturdy, nonslip shoes.
***Go over the lawn carefully to pick up stones, wire, toys, dog bones, anything the mower might pick up and throw.
***Make sure you know where any hard, solid obstacles might be hidden in the grass.
***Add fuel and wipe up spills before starting mower.
***If your electric mower isn't labeled "double insulated" never plug it into anything but a grounded (3-prong) outlet.

While You Mow
***Always start up outdoors, near the lawn you're going to mow.
***Adjust cutting height before starting mower.
***If the lawn is wet-wait!
***Read through the mower instruction book again, especially if it's been a while since you last used the mower.
***Never run mower over gravel, stones, or hard, immovable objects, like pipes, rocks or sidewalk edges.
***Now forward as much as possible, so you can see where you're going.
***Walk-behind mowers go across slopes; riding mowers go up or down.

***Keep electric mower cord out of the cutting path.
***Stay clear of the blade housing edge and the discharge chute.
***Never point discharge chute at others.
***Turn off the mower if you leave it even for a moment.

And Be Sure To
***Disconnect spark plug or power cord before working on your mower.
***Have safety devices in their proper position.
***Let an expert look your mower over for leaks, electrical shorts, blade condition and balance.
***Treat gasoline like the high explosive it really is.
***Keep the mower in near-new condition.
***Look back before you back up.
***Keep kids away from (and off of) the mower.
***Now up and down slopes-not across.

EASTER EGGS
I hope it isn't too early to mention eggs for Easter. Let me remind you to stock up on eggs. That way you'll be sure to have enough on hand for the decorating fun and lots of delicious after-the-holiday dishes. Decorating can be great for the whole family. Start now to gather up bins and pieces of rickrack and lace, colored paper and felt, felt-tipped pens and crayons, even seeds and herbs from the spice shelf.

After your eggs have been decorated, keep them as a reminder of the fun you had. These eggs can provide delicious salads, sandwiches, casseroles and snacks.

DIETARY GUIDELINES
Since one in four persons today will develop cancer, young people often ask whether they can do anything to reduce their risk of developing cancer.

Although specific causes of most cancers remain unknown, there's growing evidence that diet and nutrition are related to cancers. The

Plain yogurt is a good diet. My friend Mary Wallace and I were discussing the nutritive value of plain yogurt. A small container, which holds 1 cup, we find there are 160 calories, 11 grams protein, 14 grams carbohydrates and 7 grams fat. I enjoy plain yogurt and sweeten it with nutra-sweet. To me it then tastes like whipped cream. I use this with fresh fruit or as a topping for congealed salad.

ELBA CHAMBER OF COMMERCE
INVITES YOU TO

INDUSTRIAL
APPRECIATION DAY
SATURDAY MAY 12
COURTHOUSE SQUARE

SIGN TO INFORM CITIZENS... This sign was erected last week near the Pea River Bridge on Highway 84 by the Elba Chamber of Commerce. The sign, which has an interchangeable marquee, will better inform the people of Elba and its visitors of events and happenings in the city. All city organizations are invited to turn in their events to the Chamber so that it may be made public on the sign.

Council Gives Approval To Upcoming Election

The Elba City Council held a short meeting Monday evening, but handled all the necessary business in spite of the brief meeting.

The council gave unanimous support to a request by school superintendent John Osburn for support of the upcoming re-vote of school taxes. Osburn pointed out that this was renewing existing taxes and urged the council to give its

support. A motion enforcing the action was quickly approved by council members after Mayor Bob English noted the council didn't enjoy imposing taxes, but school support was at stake and these taxes were historic in nature and he felt the people of the community would expect the city to continue supporting the school system.

A proposed street between the homes of David Stokes and Curtis Smith was officially closed by the council. Attorney Bill Stokes representing the two men, noted that they were the only property owners involved, as Mr. Smith had purchased the last remaining property behind his home. The short proposed street has never been opened or used and the council agreed to close the papers to forever abandon the area between the Claxton Avenue homes.

A request to park a small mobile home in a back yard for use as a storage shed was taken under advisement as council members were unsure of their legal rights to allow or disallow such action.

Bills totaling \$10,651.94 were approved for payment. High items on the list included \$1,000 for drainage pipe; \$1700 lighting for Legion Field ball park; \$1400 for sewer solvent; \$700 insurance and \$550 asphalt for patching streets.

English reported that the new tennis courts are scheduled for completion on May 26.

Commission Sets May 15 As Election Date For Extension Of School Tax

The Coffee County Commission met in regular session on Monday, April 9 at the Courthouse in Enterprise and voted to hold a special election on May 15 to allow county citizens to vote on a 30 year extension for countywide school taxes.

Elba Supt. John Osburn, Enterprise Supt. Thad Morgan and County Supt. John W. Vaughan were present at the Monday meeting, and Supt. Vaughan told the commission "We are here as prescribed by law. It is time to renew the county-wide school taxes, and I would like to expatiate the word renew. It is not an increase in taxes, it is simply a continuance of the present tax. If passed by the voters the tax will be extended for a 30 year period, if not, we'll have to close the door to all the schools."

The commission approved the request unanimously and set an election date for May 15. Enterprise Attorney Kenneth Fuller was at the meeting representing Couch Inc. and told the commission "we have a problem with a purchase order."

According to Fuller, in March, 1984, the county issued a purchase order to Wiregrass Construction to purchase 14,000 tons of asphalt. The purchase order was given on the final day of a six-month contract, and Fuller stated "We contest the legality of the purchase order and intend it is void!"

Fuller and Harper, but made no statement, apparently content that the county attorney was correct in saying the action was legal. In other action at Monday's meeting, the commission ***adopted minutes of the previous meeting; ***was told the county jail was described as being in "good condition" in the March inspection report; ***agreed to let Enterprise use 21 voting machines for the city's July

SUPERINTENDENTS ADDRESS COMMISSION... Present at Monday's commission meeting requesting a special election were school superintendents John Osburn, Elba; John Vaughan, Coffee County; and Thad Morgan, Enterprise.

10 election; ***was invited to attend a breakfast for local industrial leaders in Elba on April 20; ***old Mike Holmes, of S.E.A. R.P. & D.C., to proceed with grant

application for a grant to connect the Jack area with the Elba water lines; ***praised county carpenter John Flowers with his work in renovating county offices; ***and, paid bills.

Cave In Kills Children In Rural Pike County

A children's game of hide and seek turned into tragedy Saturday when a tunnel dug by two young cousins as a hiding place caved in,

stopping the woman at 12:31 a.m. for speeding on U.S. Highway 84. The alleged assault is reported to have taken place on a rural road off the highway.

The woman went to Humana Hospital, in Enterprise, following the alleged assault, and signed a

Robbin Leigh Shaw, age 9, the daughter of Rev. and Mrs. Julian Shaw, and Jason Jeremy McWaters, age 10, the son of Mr. and Mrs. Jerry McWaters.

According to reports, Bludworth is accused of sexually assaulting a 34-year old Pensacola, FL, woman between 12:30-1:00 a.m., on Saturday, April 7, while on duty. Police records indicate Bludworth

the sand above gave way. The children reportedly had been trapped in the tunnel for several hours when other children looking for them discovered the cave in. The children stopped a passerby, who reportedly pulled the cousins out of the sand.

Pike County Coroner Alan Boothe pronounced the children died of asphyxiation.

Heflin To Hold Town Meeting April 17 At Courthouse In Elba

Alabama Senator Howell Heflin will hold a Town Meeting in Elba at the Coffee County Courthouse on Tuesday, April 17, at 3:00 p.m.

The purpose of the meeting is to report to the citizens on the activities of the United States Senate and also answer questions from the people. All citizens are encouraged to attend.

Osburn To Speak On Education Plan

The State Board of Education convened in an historic meeting in Montgomery on February 23, 1984. At this meeting, presided over by Governor George C. Wallace, the Board adopted 46 resolutions implementing major portions of the plan for Excellence to improve public schools in Alabama.

The board mandated in September that State Superintendent of Education Dr. Wayne Teague come forth with a plan to improve the schools of Alabama. After nearly four months of work, the committee appointed by Dr. Teague drew up the plan entitled A PLAN FOR EXCELLENCE: Alabama's

Public Schools. Input for this plan was received from local superintendents, administrators, teachers, education organizations, business and industry leaders, and other concerned citizens.

Local citizens will have an opportunity to hear more about this plan on Monday April 16, 1984, 7:00 p.m., at the Elba Elementary School. Mr. John Osburn, Superintendent of Elba City Schools will present a summary of the plan and how it will affect the Elba City School System. All interested citizens are urged to come and show their concern for the local school system.

Chamber To Sponsor Breakfast

The Elba Chamber of Commerce will hold its First Annual Industrial Appreciation Breakfast on Friday morning, April 20, at 8:00 a.m. at the Levee Restaurant and Chamber of Commerce. Elba representative, at 597-5234.

The speaker at the event will be Mr. Jamie "Red" Etherage, director of the Alabama Development Office in Montgomery. Finalization of the Industrial Appreciation Day, set for Saturday, May 12, will be announced.

BAND DAY PROCLAIMED IN NEW BROCKTON... City officials gathered last week to proclaim April 14 as Band Day in New Brockton. The band will sponsor numerous activities on the day in an effort to raise funds. Pictured at the signing are L-R: H. Hornsby, councilman; Peggy Butler, city clerk; Roger Knuff, band director; L.A. Adkinson, mayor; and Dovell Jones, councilman.

BRAINSTORMS

With Ferrin Cox

I got sick last week, something that just isn't supposed to happen. An ol' bug got in my system and put me in bed. Only once before in the past ten or fifteen years can I remember something like this happening. My attitude toward being sick is "I ain't got time". In fact some sixteen or seventeen years ago doctors told me that my ailment was terminal cancer, a very strong statement and one that makes you feel heavy when you walk out of the office. In spite of promises to keep me reasonably pain-free for the next few years, my attitude then was "I ain't got time for this". Thanks to mistakes by medical experts and/or miracles of the human body that had the help of the Good Lord, I survived with no pain or painkillers and my illness wasn't terminal. This helped convince an ol' country boy that I didn't have to be sick if I didn't want to be, but... well, that theory got shot down last week. Now I wonder how people endure who are in pain for more than a few days at the time. It left me with an almost reverent respect for such people.

Rev. Jesse Jackson keeps saying his coalition of minorities is now the majority, but his votes don't indicate the same results. His votes continue to come mostly from blacks with a few whites sprinkled in occasionally. But even then, more blacks are voting for the other candidates than whites are voting for Jackson. We long ago decided Jackson was trying to be a power broker at the convention, but unless things change from the present trend, his influence will have already dispersed by convention time and Mondale will have enough delegates of his own without making deals.

It has been downright cool in Elba this week, and that ain't good for fishing. Maybe if Easter will come on and get here, we can quit having this cool weather and the breeze can get on with their bedding... and biting.

It was tragic to read of the two children who died in a cave-in just across the county line in Pike County Saturday. Our sympathy goes out to the parents of these youngsters. We imagine many youngsters... and some not so young... shuddered when the news broke because they had played in that same "cave" or others like it.

Mr. and Mrs. Lloyd Crook had some beautiful flowers in their yard several days ago. We went by there but they weren't home to tell us all about the millions of blooms, but we looked anyway. Then the rain came and we are sure the peak has passed, but they were beautiful.

Z.C. Students Give \$414 To Heart Fund

The Coffee County Heart Fund received a \$414 contribution recently from the students at Zion Chapel High School and Zion Chapel Elementary School. The money was raised at a "Jump-A-Thon" held at the school, an event at which students got sponsors to donate money for the amount of time spent jumping a rope.

The top fund-raisers for the event were Tracey Nelson and Darren Grant, and the jump-a-thon coordinators were Mike Lindsey and Charles Smith.

Elba Study Club Meets April 4

L To R - Mrs. Thomas, Mrs. Lee, Miss Nelson (Honoree) and Mrs. Nelson.

Miss Nelson Honored With Miscellaneous Bridal Shower

Miss Melinda Nelson, bride-elect of Joe Lee, was honored with a bridal shower, Saturday, March 24, 1984, in the lovely home of Mrs. Grady Thomas on Sunset Boulevard.

The front door was beautifully decorated with wedding bells. Arrangements of beautiful mauve and pink roses were placed in attractive focal points throughout the reception and gift rooms.

Guests were greeted by Mrs. Thomas and presented to the receiving line which included the honoree: her mother, Mrs. Hayward Nelson, and the groom-elect's mother, Mrs. John G. Lee.

Mrs. Billy Grantham registered the guests in the bride's book. The registry table was adorned with an ecru lace cloth, a bud vase with a beautiful mauve rose and a plume pen.

The mauve and pink color scheme was carried out on the refreshment table with a beautiful lace net cloth gathered at the corners mauve flowers and white bows. A

three-branched candelabra holding white burning tapers graced the table. The silver punch bowl was adorned with greenery and mauve flowers. Silver trays held white and petit fours, and dainty sandwiches, and there were silver compotes filled with nuts and mauve and pink mints. Mrs. Richard McLeod and Mrs. Richard Brown served punch and refreshments to the guests.

Melinda was dressed in a lovely spring dress and wore a mauve and pink carnation corsage, a gift of the hostesses.

Hostesses were Mrs. Grady Thomas, Mrs. Edwin Hornsby, Mrs. James Martin, Mrs. Richard Brown, Mrs. Jerry Hudson, Mrs. Richard McLeod, Mrs. Dewey Barnes, Miss Kathy Arbogast, Mrs. Elaine Thompson, Mrs. Billy Grantham, Mrs. Larry Smart, Mrs. Bobby Boutwell, Mrs. Jimmy Little, Mrs. Wayne Henderson, Mrs. Rex Hughes, Mrs. Harold Johnson, Mrs. Wallace Taylor and Mrs. Buddy Carter.

Miss Bama Donaldson Honored With Bridal Shower

The fellowship hall of the New Ebenezer Baptist Church was the setting for a Miscellaneous shower honoring Miss Bama Gail Donaldson, bride-elect of William Scott Gibson on Saturday afternoon April 7.

The entire fellowship hall was beautifully decorated with the bride-elects chosen colors of burgundy and pink.

Guests were greeted at the door by Mrs. Mack Donaldson and presented to the receiving line composed of the honoree, her mother, Jack Donaldson, the mother of the groom-elect, Mrs. Jim Kennedy and the grandmother of the bride.

Susan Bruckner, daughter of Mr. and Mrs. Robert D. Bruckner of Route 5 in Elba, is serving in a select group of official hosts and hostesses, the Statemen and First Ladies, at Auburn University at Montgomery. During the March 30 dedication of the \$5 million Library Classroom Building, Miss Bruckner welcomed visiting dignitaries, including Gov. George C. Wallace, as well as members of the community, faculty, staff, and students.

To honor the completion of the 10-story library building, Wallace and the new president of the Auburn University system, Dr. James E. Martin, joined Chancellor James O. Williams in emphasizing the value of higher education. In the audience, the Statemen and First Ladies escorted people to their seats and distributed programs and brochures; following the brief outdoor ceremony, they provided tours of the new facility, including the outdoor observation deck.

Miss Bruckner, who was required to apply for a position as a First Lady, serves the university at any event on campus where she is needed. She is a senior at AUM majoring in accounting and computer science. Some of Miss Bruckner's other activities include being a member of Omicron Delta Kappa honor society and the Baptist Student Union; she is also AUM scholar and chairs Campus Life.

Miss Bruckner is one of AUM's 15 select student hosts for visiting officials and the community.

Vanessa Newman To Marry Maxwell Davis In May

Vanessa Newman To Marry Maxwell Davis In May

The groom-to-be is the grandson of the late Mr. and Mrs. Lee Davis and the late Mr. and Mrs. Roy Moore all of Elba. Maxwell is a 1973 graduate of Elba High School and a 1979 graduate of Troy State University with a B.S. Degree in marketing. He is presently employed with the Billock County Propane Gas Company of Union Springs, Alabama.

Vanessa is a 1974 graduate of Elba High School. She is presently employed as a receptionist with ALFAB, INC., Enterprise, Alabama.

The wedding will take place May 19 at 7:00 in the evening at the Woodland Grove Baptist Church in Elba. No formal invitations are being sent locally. All friends and relatives are invited to attend.

Elba Graduate Selected District Teacher Of The Year

Margaret (Bryan) Powell, was honored March 22, at a reception sponsored by the Walton County School Board and the Chamber of Commerce. Superintendent Teddy DeShazo, announced that Mrs. Margaret Powell, math teacher at Paxton High School, had been chosen to represent Walton County in the statewide competition for Teacher of the Year. When submitting her name to Ralph Turlington, Commissioner of Education, as Walton's nominee, Superintendent DeShazo commented, "Mrs. Powell, in addition to having exceptional knowledge of the subject she teaches, has the ability to inspire students to learn for the sake of learning. She brings out many of the hidden talents that students have, as well as members of the community, faculty, staff, and students."

Margaret is the daughter of Mr. and Mrs. Wildon Bryan of Route 2, Elba. After graduation from Elba High School, she enrolled at Troy State where she received her Bachelor and Master's degree. While at Troy, she was in the Gamma Beta Phi Society. Margaret is married to Paul Powell, who also teaches at Paxton. They live near Andalusia with their four children: Paula, a sophomore, Tracy, a seventh grader, Julie, a third grader, and Eddie, three years old.

Margaret has taught 15 years at Paxton and has served as sponsor of the Junior Class, most of these years. She also works very closely with her math clubs: Mu Alpha Theta, senior high math students, and Chi Alpha Mu, junior math students. She stimulates math students by encouraging them to compete at the math tournaments each year, including Lurleen B. Wallace State Junior College, George C. Wallace State Junior

College, Enterprise State Junior College, and Andalusia High School. Many individuals and team trophies have been won by her students. "These activities help a student develop a good self-concept which is so important to being a successful person in life," remarked Mrs. Powell. "I enjoy teaching and see a child grow mentally through experiences I have related to him in a way he can understand and I help show how he can use this later in life or why it is important to learn advanced mathematics," commented Mrs. Powell.

Many of Mrs. Powell's former students come back to visit her and let her know of their successful careers and thank her for inspiring them to achieve to their greatest potential and for helping them set goals in life at an early age.

Casey McQuinn Celebrates Birthday

Casey McQuinn, son of Stephen McQuinn Smith and Leslie Ann Smith, celebrated his first birthday March 23.

Stephen is from Elba and Leslie is from Valley, Washington.

Grandparents are Martin Van and Margie Smith of Elba, and Les and Nancy Funk of Valley, Washington.

The Smiths are stationed in Stuttgart Germany with the U.S. Army.

Casey celebrated his birthday with his parents at their home in Botnam, Germany. He was born in Huntsville, Alabama, and in July, 1983, he traveled with his parents to Germany. From there they have visited many places in countries such as Holland, Austria and France, including castles, the famed Hansel and Gretel Park in the Black Forest. Casey was proclaimed a world traveler and War Eagle fan by his father.

PASTOR'S CORNER

REV. EDWIN LORD
RETIRED

The Personality Of The Devil

In the first eleven verses of Matthew we learn how the devil works. He is a powerful spiritual being, but does not have some of the attributes of God. He is not omniscient, all knowing, or omnipresent, everywhere present. He is able to move as fast as thought. Eph. 6:12 gives us a pretty good description of the character of the devil. For we wrestle not against flesh and blood, but against principalities, against powers, against the rulers of the world, against spiritual wickedness (literally, wicked spirits) in high places.

He also has a host of helpers in a great company of wicked entrusted with him in this great battle against right, to which Christ makes reference in John 8:44 when He says, Ye are of your father the devil, and the lust of your father ye will do.

There are those today who say that the devil is only a "principle of evil" that comes from within. I invite you to look at verses 1, 3, 5, and 8 of Matthew 4. If this be true then what about such statements concerning Christ as, "He knew no sin or "He was without sin." There was a personal devil that tempted Christ, or He was not divine, and had the principle of evil within him.

Jesus, in explaining the parable of the tares states that the enemy who sows them is the Devil and in personal man is used to typify him. In Matt. 25:41 the Bible says, Then shall He say also unto them who on the left hand, Depart from me ye cursed into everlasting fire, prepared for the devil and his angels. Will any intelligent person suppose that everlasting fire has

been prepared for the abstract principle of evil?

In Job 1:6-7 we find God carrying on a conversation with Satan as follows. No there was a day when the sons of God came to present themselves before the Lord, and Satan came also among them. And the Lord said unto Satan, Whence comest thou? Then Satan answered the Lord and said, From going to and fro in the earth, and from walking up and down in it.

Luke says in Lk. 9:1 Then he called his twelve disciples together and gave power and authority over all devils, (or demons) and to cure diseases. Here demons are distinguished from diseases and the two words are never used interchangeably. It was the power to cast out demons, and not to cure diseases that caused the disciples to rejoice.

James 2:19 says, Thou believest that there is one God; thou doest well: The devils also believe and tremble. An influence or a principle does not BELIEVE or TREMBLE but a person does.

All of the titles of Satan imply personality. Let us note a few. "God of this world", "The prince of this world", "A wicked one", "A liar", "The father of lies", "A murderer", "Ruler of the darkness of this world", "Tempter".

There are a few of the descriptions of the devil. Now, in conclusion would you permit me to ask you a question: "If Satan would rather be a child off? A person like this who leads you to eternal destruction or one who is "The prince of peace" and who will lead you to everlasting life? You must accept one or the other.

Coffee County Associational WMU To Meet

The Coffee County Baptist Associational Women's Missionary Union (WMU) annual meeting is scheduled for 7 p.m., Thursday, April 19, at Whitewater Baptist Church, located about 4 miles north of Elba on Alabama Highway 125.

The theme for the meeting will be Colossians 4:5, "Be wise in the way you act toward the world as to believers, making good use of every opportunity you have."

Dr. and Mrs. Albert L. Bagby, emeritus of Southern Baptist missionaries, will be the speakers. Before their retirement in 1968, they served for nearly 30 years in Brazil. In Brazil they directed the American Baptist College in Porto Alegre Rio Grande so for 10 years in Brazil. In addition to his administrative duties, Bagby taught Bible in the secondary division and served as pastor of a church in Porto Alegre. He also held various offices with the state Baptist Convention, preached in evangelistic campaigns, helped with Baptist camps and other meetings, and taught in annual extension courses of the South Brazil Theological Seminary in Rio de Janeiro.

Dr. and Mrs. Bagby make frequent, regular visits back to Brazil; their most recent visit was in 1982 when they returned as guests of the Brazilian Baptist Convention to participate in the Centennial Celebration of Baptist work in that country.

Every summer the Bagby spend the entire camping season on the

Final preparations are being made by First Assembly of God, Highland Drive, for the first ever "Passion Play". Actual recreation of the crucifixion and burial of Jesus Christ have been carefully prepared.

Only one presentation will be offered-Friday, April 20, at 5:45 p.m. Bring your family to this Biblical portrait of the Passion. A special sunrise service featuring the enactment of the first Easter morning, will be offered on Sunday, April 22, at 5:45 a.m. Both services will be conducted

On April 15, during the evening worship at Westside Baptist Church, the adult choir will present the musical "Can It Be" by Larry Mayfield. This is a musical and dramatic testimony of the power of Christ in our lives today. Come and join in worship as the choir presents this moving story. Services begin at 6:30 p.m.

Westside To Host Easter Sunrise Service

The Westside Baptist Brotherhood will host Easter Sunrise service Sunday, April 22, at 5:30 a.m. Rev. Robert Kirkland Minister at Westside will bring the message. All area churches are invited to participate in this special worship service.

Following the service breakfast will be served. Everyone is invited to join in these special activities.

faculty of the GA-Ateens camps where they are "favorites" with the campers.

Dr. Bagby, son of Southern Baptist missionaries, was born in Sao Paulo, Brazil. Mrs. Bagby, the former Thelma Frith, was born in North Little Rock, Arkansas. They have three grown sons.

In addition to the missionary speakers, First Baptist Church, Elba, will provide a program of special music. During the business portion of the meeting, age-level directors will report on WMU work during the past year, and officers for the coming year will be elected.

A nursery will be provided. Refreshments will be served, and a fellowship will follow the meeting.

In conjunction with the annual meeting, a covered-dish salad luncheon will be held at the Associational building in New Brockton. The event will begin with Dr. and Mrs. Bagby speaking at 10:30 a.m. on Thursday, April 19, and will conclude with the covered-dish, salad meal. Everyone is invited to come, bring a salad, and get to know and fellowship with the missionaries.

The WMU annual meeting is for Mission Friends, Girls in Action, Acons, Baptist Young Women, Baptist Women, pastors and anyone who is interested in learning about and promoting missions. Everyone is encouraged to make good use of this opportunity to learn about missions.

Students To Receive State Farmer Degree

By: Janet Stewart

Jeff White and Steve Nelson have been approved as recipients of the FFA State Farmer Degree. Jeff is a senior and FFA president at Zion Chapel. Steve is a junior and FFA sentinel.

According to Harold Stewart, FFA advisor, encouraging students to set goals and work toward

productive careers in the industry of agriculture has always been a major objective of the FFA.

The FFA degree system encourages members to advance through a series of degrees from Greenhand to Chapter Farmer, State Farmer and American Farmer. It is based on goal setting and achievement toward establishment in an agricultural career.

To qualify in any of the degrees, students must show achievement in supervised farming or an occupational experience program as well as regular participation in FFA leadership and personal development activities.

"Well reserved recognition for hard working students," is the way Mr. Stewart expresses his satisfaction over the nomination of State Farmer candidates. It is the responsibility of the advisor to provide the need motivation as the members progress through the greenhand and chapter farmer degrees.

Jeff and Steve will receive their degrees at the annual FFA Convention in Montgomery in June. Mr. Stewart will accompany them. Jeff is the son of Mr. and Mrs. L.J. White. Steve is the son of Mr. and Mrs. Wayne Nelson.

Competency Test Required To Grade Graduate

By: Kim Brunson

Not only must the graduating class of 1985 pass the required Carnegie units, but they must pass a minimum competency test.

Each student beginning in the seventh grade will have a checklist of minimum competencies placed in his/her permanent record folder. This checklist will serve as a record showing that the competencies were taught in grades 7, 8 and 9. It will be the responsibility of the principal of each school to see that each teacher keeps the necessary information on each student and transfer this information to the sheet in the permanent record folder at the end of each semester for those students in grades 7, 8 and 9.

Teachers of students in grades 10, 11 and 12 shall check ninth grade class Basic Competency Test results to determine where the most help is needed. Lessons for all students

should be done in the areas where there are severe competency problems for the whole class. The amount of time a teacher spends in these areas varies according to the class mastery level. The lower the mastery level, the more time a teacher should spend on this particular skill. Remediation or reteaching of these skills is

imperative for legal reasons. Remediation sheets should be filled out each semester and kept in grades 10-12. The remediation record will show who, how, when and from what source the remediation occurred. When the graduation exam is taken in the eleventh grade, during the fall, and a student fails any of the subtests, remediation should begin

immediately. It is imperative that the students remediation record be kept to insure documentation of instruction in case of legal problems, which may occur because of this competency exam. Schools must be able to document that a person was at least taught the competency even though it cannot be guaranteed that the student learned it.

ZC Elects 84-85 Varsity Cheerleaders

By: Wendy Nelson

Samantha Waddell, Dana Milley, Denise Chancellor, Krista Dyess, Crystie Mauldin, Stacy Carter, Connie Flowers, Sheila Rugg, and Tabatha Morris will be the 84-85

varsity cheerleaders.

Due to the number of girls trying out there were no judged tryouts.

Captain Dana Milley and Co-captains Samantha Waddell and

Krista Dyess were chosen by the other varsity cheerleaders.

This summer the cheerleaders will attend a gymnastics camp and after July 30 they will practice every week day until school starts.

2) Eligibility for an NCOWC scholarship will take precedence.

3) The applicant must have proof of acceptance to an accredited university or college.

4) The scholarship recipient of \$1000 will attend a four year school starting in the fall of 1984, with monies to be used up no later than the 1985 summer session.

The recipient of \$500 will attend a two or four year school with monies to be used up no later than the end of the 1985 summer session.

5) Scholarship monies must be used for tuition, books, and general

expenses. 6) An applicant will be ineligible to accept this award if he/she accepts an appointment to a service academy four year ROTC scholarship or any other full scholarship.

7) If the winner is unable to

accept this award, it will be given to an alternate.

8) A scholarship recipient and the recipient's parents will be required to execute a scholarship agreement.

A panel of judges select by the scholarship committee will interview

and select the scholarship winners. The judges are noted educators from the local area and are not affiliated with the OWC. The judges will consider intelligence, motivation, leadership, verbal facility, and special talent.

Capstone Summer Honors Program

By: Sharon Mobley

The University of Alabama is hosting the seventh annual Capstone Summer Honors Program.

This program offers high school juniors the opportunity to earn college credit and experience college life before they graduate from high school.

The high school juniors selected usually have American College Testing (ACT) scores of at least 25 or SAT's of at least 1025. Students selected are in the top quarter of their classes.

Students who attend the Honors

program will receive regular college credit upon successful completion of course work. The credit from these courses will apply toward a baccalaureate degree at most colleges and universities.

Eight \$1000 Capstone Summer Honors scholarships will be awarded at the end of the program. Awards are made on the basis of high school grades, test scores, recommendations, and performance on work attempted during the Honors Programs.

The basic cost of attending the Capstone Program is \$650 for a

student who resides in the residence hall. This includes tuition for up to seven semester hours, registration and recreation fees, a semi-private room, and 15 meals per week. The basic cost for a commuting student, excluding room and board is \$350.

The Capstone Summer Honors Program will be held June 2-July 7, 1984.

Interested students who need more information call toll free: 1-800-452-5976 or write to: Capstone Summer Honors Program, Office of Admission Services, P.O. Box UA, University, Alabama 35486.

Coffee County School System To Offer Advanced Program

By: Lynn Renfro

Next year new courses will be added to the schedules of the schools in the Coffee County system. An advanced diploma will also be offered for the first time.

The advanced diploma requires more history, math, science, personal and home management and a foreign language is also required. The advanced diploma will encourage the better school education. The ninth grade of 1984 will have a choice of a standard

diploma or an advanced diploma. According to Dr. Crabtree, principal at Zion Chapel, "Alabama is following the nation in better preparing graduates for life."

The new courses, which will be taught by the present faculty, and being offered to grades 7-12. Students who do not have the opportunity to choose the advanced diploma (grades 10-12 during the 1984-85 school year) will be given the chance to take the new courses.

Donnie Hussey Is 4-H Peanut Winner

Donnie Hussey, son of Mr. and Mrs. Donald Hussey of Route 1, Elba, is the top 4-H peanut producer for Coffee County. Donnie is a senior at Zion Chapel High School and a member of the Coffee County 4-H Gold Key Fraternity.

Donnie began his peanut project last March with proper soil and nematode testing. Excellent weed

control, plus a regular spray schedule really paid dividends. Donnie produced 4820 lbs. of non-irrigated peanuts on two acres.

The Alabama Peanut Producers honored Donnie on Thursday, April 5th, at its annual award banquet in Dothan. Donnie was given a new watch for his hard work.

News From Elba High School

Class Of '84 Seniors Of The Week

This week EHS School News Staff features Dennis Odom, Mike Blocker and Ricky Maddux as seniors of the week.

Dennis Odom is the 18 year old son of Mr. and Mrs. James Odom and he attended school at Goodman Jr. High before coming to Elba. He is a member of VICA and he works at the Big Bear in Elba. His favorite class is Career English and his favorite teacher is Mrs. Tucker.

Hiking, fishing and camping are just a few of Dennis's pastimes. His suggestion for improvement at Elba High is to improve the selection of food in the lunch room. The most memorable time in his school life has been being a senior and he looks toward graduation as being his most enjoyable time. After high school Dennis plans to get a steady job.

Mike Blocker, 18 year old son of Mr. and Mrs. Ray W. Blocker, has always attended the Elba City Schools. He is a member of VICA and his hobbies include hunting, fishing and girls. His favorite class is math and Mrs. Davis is his favorite teacher.

Mike believes that having longer lunch periods will help improve some of the problems at Elba High. Being a senior, Mike list as being his most memorable time, while attending school and he looks toward graduation as his most enjoyable. After high school Mike plans to attend Trade School.

Ricky Maddux, son of Mr. and Mrs. James A. Maddux, is 18 years old and he too, has always attended the Elba City Schools. He is secretary of the FFA and reporter of the VICA Club. He is also a member of FBLA and works with the City of Elba. His favorite class is Computer Science and all of his teachers has a special meaning to him.

Stricter discipline is Ricky's suggestion for improvement at Elba High. He also list as being a senior as his most memorable time in his school life and attending the State Fair in Montgomery with the FFA as his most enjoyable time.

Upon graduation from Elba high Ricky plans to finish his military training and attend Troy State University.

Amy Fuller Takes First In Career Fair Contest

Amy Fuller, a seventh grader, won first place in the Career Fair Contest recently held at Elba Junior and Senior High School. The

subject for her project was Computer Science. She is the daughter of Mr. and Mrs. Bruce Fuller.

April 8-14 Proclaimed National Library Week

Elba Mayor Bob English joins with cities across the nation in proclaiming the week of April 8-14, 1984 as National Library Week. The EHS Library Council requested the city join others in commemorating books, libraries and reading. Not only do libraries serve as storehouses of knowledge, but also they provide pleasure and entertainment for all age groups.

The citizens of Elba are fortunate to have 4 separate library facilities-one on each school campus and an active, growing public library. All these libraries are striving to meet the needs of their patrons. The EHS Library Council commends the libraries and their staffs for the tremendous jobs they are doing.

Pictured are Library Council officers: Mrs. Calhoun who watch as Mayor Gina Young, Jeannie Clark, Lucinda Byrd, Holly Wilson, Wendy Moulton, Lynn Farris and sponsor.

Correction

In last's week's article of the Band Day Beauties in the Little Miss Event, the new Little Miss, Kelli Tindol's parents names were accidentally omitted from the article.

The EHS News Staff regrets the error and would like to congratulate Kelli and her parents, Susan and Jackie Tindol, for winning the Little Miss Band Day Pageant.

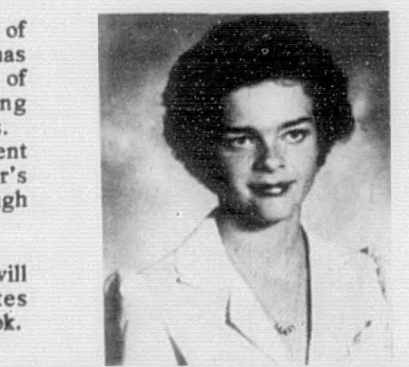

Gina Young Selected Outstanding History And Gov't Student

Miss Gina Young, daughter of Mr. and Mrs. Fred W. Young, has been selected and honored as one of our nation's most outstanding History and Government students.

Gina is an eighth grade student enrolled in Mr. Ricky Rainer's History class in the Elba High School.

Gina's biography and picture will appear in the United States Achievement Academy's Yearbook.

Congratulations Gina!

Pvt. John E. Hooks Reports For Basic Training

Pvt. John E. Hooks, a resident of Elba and a member of Battery B, 2nd Battalion, 117th Field Artillery Alabama Army National Guard of Elba, will report to Fort Sill, OK on April 9, 1984 for seven weeks of basic training.

Following completion of basic training, Pvt. Hooks will train as a cannon crewman at Fort Sill, OK.

Last year I swore I'd never watch the Braves again, but I gave in Saturday night and turned on the Montreal game. As usual, they lost. So, I guess I'm still bad luck for the Braves!

ELBA BASEBALLERS WIN AGAIN

The Elba High baseball team took their bats with 'em to Andalusia last week and pounded out a 9-8 win over the highly touted Bulldogs. The Tigers Art Brunson got four hits in the win to up his average to .555, while Terrell Hammonds got two doubles. Last week I labeled the Tigers as a "defensive" club with weak bats, but in Andalusia they proved me wrong. If the hitting keeps up, Elba could just have a shot at posting a winning record.

SOFTBALL IS BIG NEWS IN ELBA

The Recreation Department held softball meetings last week and it looks like at least 17 adult teams will compete in Elba this summer -- not bad for a town our size! The men's league will have eight teams, the church league six and the women's league four, and more may still enter before the deadline. Elba has the top softball complex in south Alabama and this summer it will host a bunch of teams. That's just like we want it.

YOUTH BASEBALL KEEPS ON GROWING

The youth baseball leagues will get underway soon and this year a total of 16 teams will compete, with over 200 boys taking part. The minor league has grown to six teams and is the city's fastest growing sport, while the Dixie Youth League will have six teams and Babe Ruth League four. The baseball leagues are filled with action and it looks like this year there will be more action than ever!

By the way, if you want to coach a team, or be an assistant coach, let Dennis Smith know -- he will be glad to sign you up.

GIRLS SOFTBALL TO EXPAND LEAGUE

This summer the Recreation Department will expand the girls softball league into two divisions -- midget and juniors, to allow more girls to play. The Midget League will be for girls who turn ten prior to August 1 and won't be 13 until after August 1. The Junior League is for girls who will be 13 but not 15 prior to August 1.

Girls softball is a good sport for young girls, as it teaches them to play and gives them a chance to get exercise. I urge all parents to sign up their girls!

JAMBOREE PROVED INTERESTING

I went to the New Brockton football jamboree last Friday night and was impressed with the play of all three county schools.

Kinston defeated Zion Chapel, and the Bulldogs looked vastly improved from a year ago. The Bulldog offense moved the ball well and appeared to be loaded with speed. The Kinston defense was aggressive and really hit, and I think the Dogs could be a surprise next season.

Zion Chapel lost, but the Rebels looked like a pretty solid club. They don't have any depth at all and dressed out only 20 players; however, they've got some good ones and looked like a winning team to me.

New Brockton defeated Coffee Springs and was impressive, as always. The Gamecock defense totally shut down the Bears, while the offense was wide open with a dangerous passing attack. Yep, the Gamecocks will be as tough as ever.

Jaycees To Sponsor Tourney

The Elba Jaycees will host a 16-team men's softball tournament on Friday and Saturday, April 27-28, at Hawkins-Williams Park.

The tourney is open to Church, Class C and Class B teams and only "one" home-run per team will be allowed per game.

The entry fee is \$65 and hit your own restricted flight ball, and trophies will be awarded to the Top 4 teams.

To enter call Jr. Helms at 897-2698 (night), Nip Ammons at 897-6624 (day or night) or Hugh Martin at 897-2887 (day).

Up Area Record To 2-0

Tigers Stop Andalusia 9-8

Art Brunson pounded out 4 hits and John Hudson came in in relief in the seventh-inning to squelch an Andalusia rally as the Elba Tigers defeated the Andalusia Bulldogs 9-8, last Wednesday night in Andalusia.

The win upped Elba's record to 2-1, 2-0 in the Area, while Andalusia slipped to 4-3.

Neither team scored in the opening inning, but Elba broke loose in the second-inning and scored three runs to go ahead 3-0. Duke McKenzie singled with one out to start the outburst and Terry Ware,

Tommy Holt singled with two outs in the fifth to start an Elba rally,

Barbeque To Benefit

Tiger Baseball Team

The Elba High baseball team will sponsor a barbeque on Friday, April 20, in an effort to generate money for the baseball program.

The barbeque will be held in conjunction with the Elba-Andalusia baseball game, set for 5:00 p.m. at Legion Field, and tables will be set-up to allow fans to eat the delicious barbeque while they watch the game.

The plates will be \$3.50 per plate and will include barbeque, cole slaw, rice, bread and homemade cake. Serving will begin at 5:00 p.m. Tickets are being sold by the players, coaches and parents of players, as well as the Elba High School. For more information call 897-2266 (8 a.m.-3 p.m.).

Girls Urged To Sign Up

For Softball Leagues

All girls who wish to play softball this summer should sign-up this week at school or pick-up registration forms at City Hall.

The "Midget League" will be for girls who will be 10-years old prior to Aug. 1, but not turn 13 until after Aug. 1.

The "Junior League" will be for girls who turn 13-years old prior to Aug. 1 but will not be 15 prior to Aug. 1.

Women's Softball

League Forms In Elba

The women's softball league was organized last week as four teams joined the league for the upcoming season.

The teams joining were Elba General Hospital, Brundidge, Kleiners and Lindsey.

The league will start the week of May 7 and entry fees are due May 2. Anyone wishing to enter a team may still do so by calling Recreation Director Dennis Smith at 897-2333 (day) or 897-5159 (night).

Church League To Start

Season Week Of May 1

The church softball league met last week to discuss plans for the coming season and five churches were represented.

Churches entering teams included Westside Baptist, First Baptist, United Methodist, Zion Chapel Baptist and Shiloh Baptist. The entry fees are due by April 24, with the season set to start the week of May 1.

Any church wishing to join the league may still do so by calling Recreation Director Dennis Smith at 897-2333 (day) or 897-5159 (night).

8 Teams Join Men's

Softball League In Elba

The men's softball league held a meeting last week to finalize plans for the upcoming season and it appears the league will include eight teams.

The teams represented were Hammonds Body Shop, Hickory Pitt, Rebels, Hickman Movers, Elba Merchants, Elba Exchange Bank, Kelley's Packing and Elba Work Release.

The season will start the week of April 23 and entry fees are due April 16.

Any team wishing to join the league may still do so by calling Recreation Director Dennis Smith at 897-2333 (day) or 897-5159 (night).

John Osburn and Terrell Hammonds all walked, forcing in McKenzie. Art Brunson followed with a single to knock in two runs and the Tigers were on top 3-0!

Andalusia pushed across a single run in both the second and third-innings to pull within 3-2, only to see Elba go up 4-2 in the fourth on back-to-back doubles by Hammonds and Brunson. The Bulldogs scored 3 runs in the bottom of the frame and after four-innings had moved ahead 5-4.

Tommy Holt singled with two outs in the fifth to start an Elba rally,

and following a walk to Rhet McCollough and an error on a ball hit by Mike McCollough the Tigers had the bases filled. A walk to John Osburn forced in a run and then Terrell Hammonds cleaned the bases with a double. The rally was cut short when Osburn's run was disallowed as an umpire called him out for missing third, but Elba still had gone in front 7-5!

Andalusia got within 7-6 in the bottom of the fifth; however, the Tigers added a run in the sixth when Art Brunson singled, stole second, went to third on a hit by Jetey Wise

and scored on an error. Elba's lead went to 9-6 in the seventh as Mike McCollough walked and came around to score following a walk to Osburn and a fielder's choice by Art Brunson.

Andalusia got 4 hits in the bottom of the seventh and cut the lead to 9-8 with two outs, before John Hudson struck-out the final batter to end the game.

Bulldogs Dump Zion Chapel 15-12

Kinston & New Brockton Claim Wins In Football Jamboree

The Kinston Bulldogs pulled out to a 15-0 lead early in the second quarter and held on to defeat the Zion Chapel Rebels 15-12, in the first half of Friday night's football jamboree at New Brockton.

The Rebels couldn't move on their initial possession, but the Bulldog offense was ready to go and drove 66-yards in only 5 plays to light up the score-board! A 25-yard run by Glen Barnes got the drive started, while the score came on a 41-yard scamper by Paul Folmar. The Dogs' tacked on the two-point conversion when Marty Jones passed to Gary Glass, and Kinston was in front to stay at 8-0.

Zion Chapel showed signs of life on the ensuing series and drove to the Kinston 23-yardline. A big play in the march was an 11-yard pass from Michael Hill to Chris Carnley; however, the Rebels came away empty-handed when a fourth down pass failed to connect.

Kinston threatened to add to its lead late in the first quarter as it drove to the Zion Chapel 27 behind the running of Alvin Henderson and the passing of Glen Barnes. The Bulldogs didn't reach paydirt on the drive, as the Bulldog receivers failed to hold on to two passes at the goal line, and at intermission the

score stood at 8-0.

Kinston came out fired up in the second quarter and on its initial possession drove 66-yards in 4 plays to add to its advantage. A 30-yard run by Glen Barnes was climaxed with a 30-yard touchdown jaunt by Alvin Henderson. Toby Reeves-kicked the extra point and with 9:52 left in the game Kinston held a surprising 15-0 bulge!

Zion Chapel was down, but not out, and came right back with a scoring drive of its own to pull within 15-6. The drive was highlighted by the running of Tony Shiver and Bobby Hill and the score came when Hill dove over from 3-yards out. A two-point pass failed, leaving the score at 15-6 with 3:34 left in the game.

The Rebels got a chance to get back in the hunt when Bobby Hill recovered a Bulldog fumble only three plays following the score but the Rebels couldn't move and were stopped on fourth down.

Kinston called three time-outs on its next possession in an attempt to get in all its players and while all the reserves came on, the time-outs also gave Zion Chapel one last chance to score and score it did! The touchdown, on the game's final play, came on a "flea-flicker" as Michael

Hill passed to Bobby Hill, who then lateraled to Tony Shiver, who raced in for the touchdown. The conversion failed, making the final score Kinston 15 Zion Chapel 12.

Paul Folmar rushed for 89-yards in 8 carries to lead Kinston, while Glen Barnes added 57-yards on 3 carries. Tony Shiver led the Rebels with 52-yards on 10 carries.

"I'm excited we won," said Kinston's Coach Ronnie Cotterall, "it meant a lot to our program. Our boys haven't tasted victory many times, but they tasted it tonight (Friday) and liked it. It was a good win for our boys! Looking at the spring, we did a lot of work on the basics and put in the beginnings of a new offense and defense. Now we'll go back to the weights and try to get a little stronger."

"We didn't approach this as a game," said Zion Chapel's Coach John Frank Hudson, "to us it was

Gamecocks Blank

Coffee Springs 7-0

The New Brockton Gamecocks scored late in the opening quarter and then turned things over to the defense as they blanked the Coffee Springs Golden Bears 7-0, in last Friday night's football jamboree.

The initial five offensive series resulted in only one first down as both defenses ruled the roost; however, the Gamecock offense woke up late in the quarter and drove 55-yards in 5 plays to reach paydirt! A 19-yard pass from Jon Paul Sawyer to Keith Patterson was a key play in the drive, with the touchdown coming on a 21-yard scamper by Mike Haynes. Derek Smith added the extra-point and with 4:08 left in the first quarter New Brockton had the lead 7-0.

Coffee Springs mounted its only drive of the game on its next possession, as back-to-back interference penalties put the Bears at the Gamecock 40-yard line. The Brockton defense got tough, however, and stopped the march as Derek Smith came thru with a quarterback sack.

New Brockton threatened late in the stanza as Jon Paul Sawyer and Keith Patterson hooked up on two long passes, but Patterson was stopped inches short of the goal after the second catch and the half ended before Brockton could run another play.

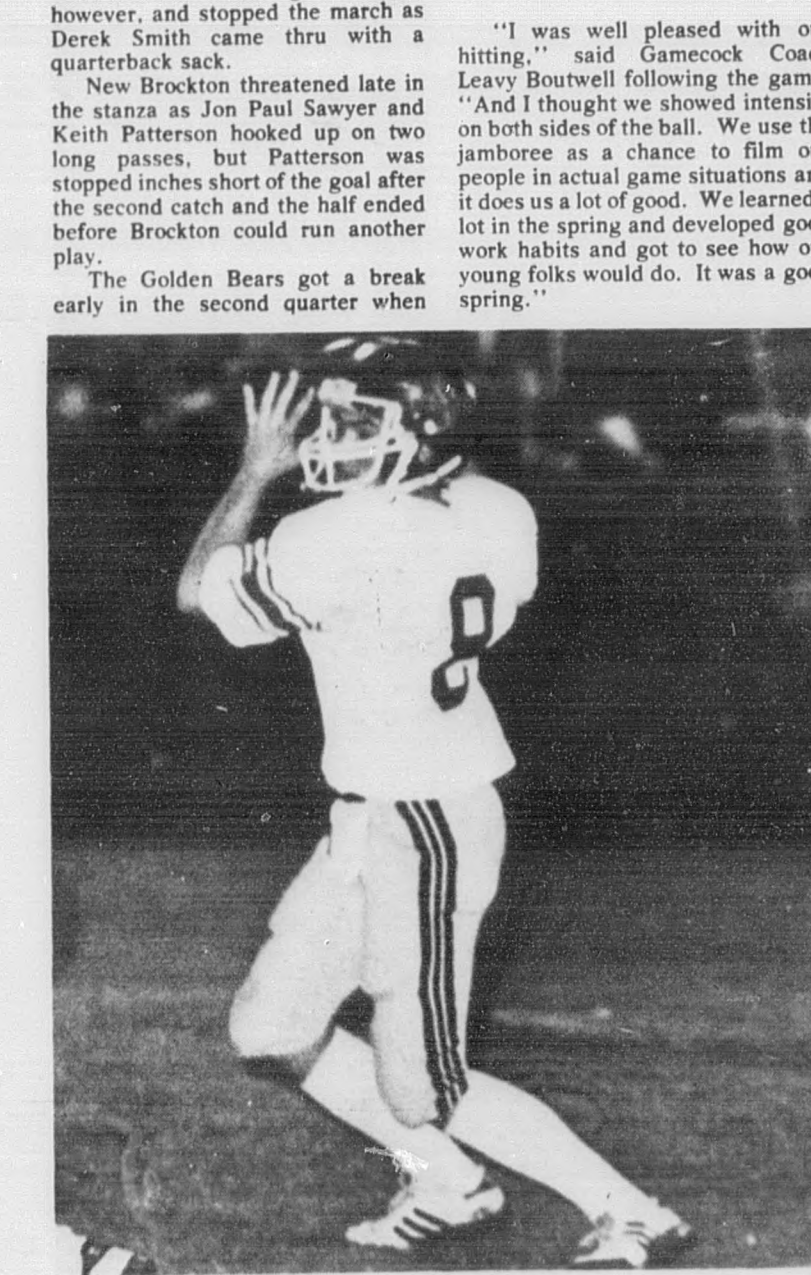

The Golden Bears got a break early in the second quarter when

they recovered a Gamecock fumble at the Brockton 34, but the Gamecock defense rose to the challenge and stopped the threat when Kerry Williams intercepted a Bear pass at the yardline.

A fumble recovery by New Brockton's Chris Cole stopped the Golden Bears' last ditch effort late in the game and at the horn the Gamecocks had the win 7-0.

Mike Haynes gained 50-yards in 9 carries to lead the Gamecock ground attack, while Keith Patterson caught 4 pass for 90-yards.

"REACHING FOR NEW HORIZONS"

By S.S. Belcher

Exercise of the Week: TUMMY TIGHTENER

Lay flat on the floor. Keep eyes on ceiling. Knees raised. Raise shoulders, upper back and head. Relax. Repeat from 25 to 50 times. (Your favorite music always help make it easier.)

Thought for the Week:

"God created man, it's man's responsibility to strive to achieve the perfection of our creator, whether in mind or body."

Eric Hoffer

Scripture for the Week:

Broad and spacious is the road leading into destruction and many are the ones going in there of good whereas, narrow is the gate and cramped is the road leading out into life. Matt. 7:13, 14

Topic of the Week:

THE ESSENCE OF EDUCATION

Unfortunately are the people with closed minds, by taking one step at a time, we can all open our minds. The Essence of Education can be used to achieve our immediate and highest goals even if it seems impossible. The Essence of Education can intelligently and successfully help us meet the challenges in our business, family and personal lives.

Education is the process by which people acquire knowledge, skills, beliefs, values and attitudes. It helps develop an appreciation of cultural heritage and helps us to live more satisfying lives. Even though much education today, takes place outside of the classroom, the most common way to get an education is by attending school. Education is as old as humanity. (Why not search for the old, it could be all new to us.)

Education is more important today than ever before because it

My Year As Little Miss Elba

By: Leslie Creel

My year as Little Miss Elba was so much fun. I liked being in the pageant because all of my friends were in it. We liked sitting in the back of the stage and guessing whose number is going to be called out next. Then everybody gets to hug you and kiss you and tell you pretty flowers and a beautiful crown and also a little necklace. Everybody has a real good time.

All of the other events that I got to go to were a whole lot of fun, too. I really had a great time at the National Peanut Festival in Dothan, AL. I got to stay out of school for three whole days and do a bunch of different things. I did everything, but I made alot of new friends from all around. I was so glad that Toni Hudson won big Miss Peanut Festival. The stage at the Little Miss Peanut was very, very pretty. It had all of the Charlie Brown characters on it like Lucy and Charlie and all the rest. After it was over, you could watch some of it on T.V. on the News.

Most of all, I liked Farm Day the best! It was at Goddard School. We got to do so many neat things like riding on big tractors, playing on haystacks, and going in chicken houses. Also, they have a real baby chick to take home and a peanut pin. They took alot of funny pictures of us, too.

All of the parades were exciting also. It is real fun to get all dressed up and ride through town and wave at everybody and everybody waves back. You can throw candy and what's people try to catch it. You get to see almost everyone and you have to smile alot.

I guess everything you get to do is real nice. And I would like to say a special thanks to the Elba Lions Club for sponsoring me and all of the other people who helped in any way. It was very special to me. Thanks again.

The 1984-85 Little Miss Pageant was held on April 19, 1984 at 7:30 p.m. in the Elba Elementary School.

Card Of Thanks

Life is full of blessings but none so precious as the ones you receive at the loss of a loved one. From the very depths of our hearts we want to thank all of our friends and family who brought food and sent flowers. To the Nursing Home and Hospital Staff for their loving care and concern for our loved one but most especially for the love shown to us at this time we say thank you.

Governor Wallace has proclaimed the month of April as Child Abuse and Neglect/Prevention Month in Alabama, and Ron Smith, Director of the Alabama Department of Pensions and Security, said the proclamation is an important reminder to the public about the need to start suspect child abuse and neglect.

Smith said that millions of children are at risk each year are victimized by child abuse and neglect every year. He said the problem exists everywhere, including Coffee County.

He should make a report if they should make to believe that a child is danger."

The law does not require testimony on the part of those reporting abuse or neglect. Also those making reports are protected from being considered a criminal, that a parent or someone else might seek to initiate.

Smith said that orally or in writing, "said Smith. "All it takes to make a report is a phone call to the Coffee County Department of Pensions and Security at 228-267-2267."

The Director stressed that

Spring is in the air and the Easter Bunny will be arriving soon. To celebrate the occasion the Elba Jayceettes and Elba Chamber of Commerce will hold an Easter Egg Hunt on Saturday, April 11, beginning at 2 p.m. on the lawn of National Service Insurance Company.

Charge to hunt will be \$1.00, and all children ages 5 and under are invited to participate. Prizes will be awarded to the child who finds the golden egg and the most eggs in each of four age divisions. Each egg hidden will contain a surprise.

Other activities include picture made with the Easter Bunny and face painting.

Concessions, balloons, ceramic Easter figures and Easter Bunny cakes will be available. To reserve a cake, or for more information contact: Judy Hudson, 897-2331, or Karlin Calhoun, 894-2024.

Of the total number of food products tested last week for the pesticide ethylene dibromide (EDB), only one was found to exceed safety levels, says Dr. Debra L. Smith, Agriculture and Industries Pesticide Residuary Laboratory report.

Laboratory tests showed the Nabors Wheat County Wheat (Code 13436) contained an average of 305 parts per billion, twice the amount of 150 parts per billion allowed by the federal Food and Drug Administration. Tests on other codes of the same product were within safety

shipment has already been reclaimed, company representative said, but a thorough follow up program has been initiated. The company is currently working with distributors located in Birmingham, Anniston, Selma, Geneva and Huntsville. Any Alabama consumers who are concerned about their code number should return the product to the grocery store where they purchased it. If they are unable to do so, they should have a shipment from the code should contact the distributor who made the delivery.

"More than \$2.8 million has been collected during the ten-week tax amnesty period which began January 20 and ended April 1," James C. White Sr., Commissioner of Revenue said recently. "During this time 9,788 individuals and corporations took advantage of this one-time offer," he said.

The Elba City school board met last Thursday evening with all members present. The meeting had been delayed from the previous Thursday because the regularly scheduled time.

The board approved a \$27,257 bid for removal of asbestos from the high school. The bid was submitted by American Contractors of Montgomery. The next lowest bid was \$30,000, submitted by two companies that had received bid requests directed to "no bid" the project. The board received a tremendous amount of this type

at all." He noted there were some asbestos under the older part of the high school, "probably been there since the days the building was built. It's only been found and removed, but four inches of soil must be removed from the area also.

The board was only told that about \$7,000 of architects' fees, lab testing and air sampling charges. Completion is expected within the next few months.

Renovation of the high school is moving forward on schedule with the actual construction beginning in the administrative offices. Chair
